Jackie —

I can still remember those good old days in Miss. Burke's class. There was ~~high~~ then and we were ~~had~~ many since then. I had more past semesters on council experience. I have been an executive in the past of such a real life gal who knows everything you do.

Jackie — ever since I've
 been in school together —
 I am proud to
 say that I know
 you — I hope you achieve

ALMA MATER

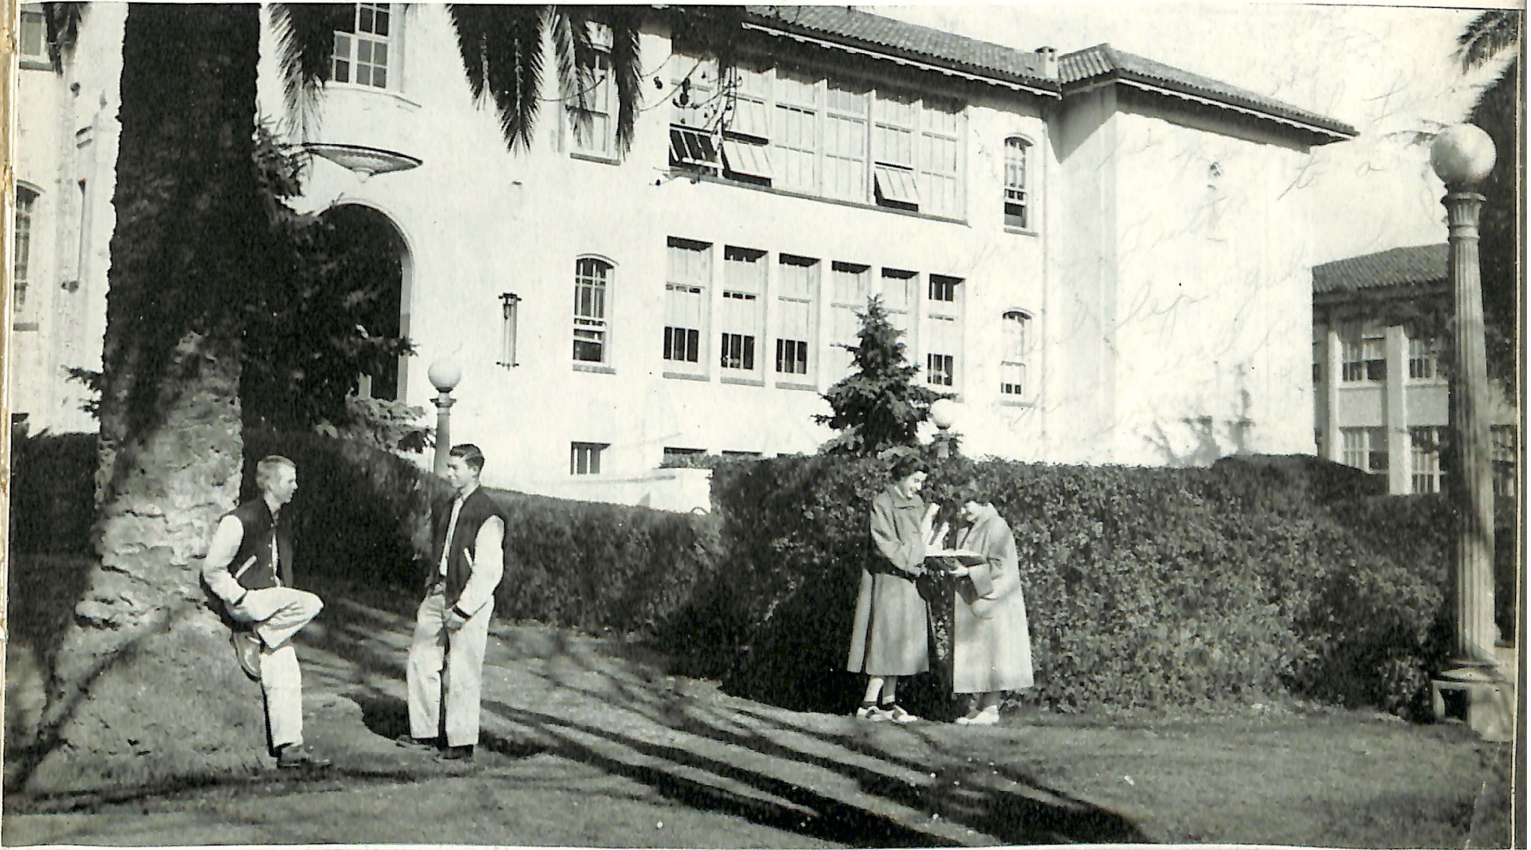

In the midst of old Vallejo stands the school we love,
Emblem pure of faith and beauty, blessed by God above.

CHORUS

Lift the chorus, speed it onward, loud our praises soar,
Hail to thee, our Alma Mater, Vallejo evermore.
Far above the busy humming of a naval town,
Reared against the arch of Heaven looks she proudly down.

VALLEJO FIGHT SONG

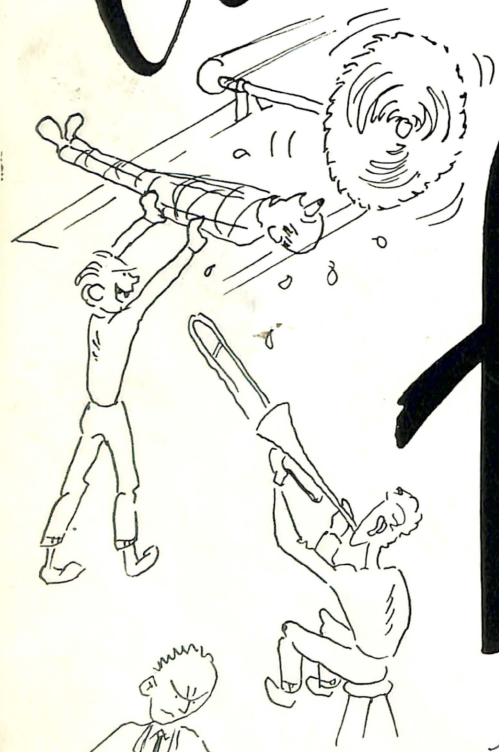

Onward Vallejo fight, fight, fight.
Lead us to victory men;
We're on the warpath scalping to win.
Ring up the score again, Vallejo!
Onward Vallejo fight, fight, fight.
Win for our red and white.
We are with you, always beside you,
Come on Vallejo, fight!

Loads of Luck

On November 19-21, 1953, at the Asilomar Conference Grounds at Pacific Grove, California, Vallejo College hosted the 16th Semi-Annual California Junior College Student Government Association Conference. It was attended by nearly 400 student leaders and advisors representing 65 junior colleges and two year institutions with a combined attendance of 75,000 students. It was a pleasure to carry Vallejo College's banners forth into state activities and the students of our school can rightly be proud of their student leaders who so greatly enhanced our name and position in state affairs. Those students from Vallejo College that attended the conference were Marjory Griswold, State Secretary; Wm. Gamble, Advisor; and Joe Henderson, Bob Foster, Lyla Powers, Jake Catado, Larry Peterson, Jackie Martin, John Amarant, Jim Stainer, Shirley Whalen, Bob Edington, and Olivia Garcia.

To these students and the college administration belongs the honor of hosting the most successful conference ever.

Dear Jack

What a pen it writes? If I knew it was this bad I wouldn't have given it back to you. ha! ha! It seems kind of funny, that is this is the first year in a long time that we aren't together. I don't know if that is better or worse. On second thought I think it is better ha! ha! Your cheating heart, cross over the bridge well seriously ^{pp.} I hope you and Charlie have an easier time than we had. Well I hope you invite me to your wedding if and when you trap some sucker. ha! ha! Well so long
love Marvin Krentzel

Dear Jackie,

Well, kid, have a spoon! — No, that's not what I meant to say. I must say it has been an awful lot of fun knowing you and watching you eat (constantly.) Your talent show was really crazy and I know you worked hard. Those Council meetings have really been a scream and you'll please forgive me if I "stuck your neck out" in my S.C. articles. I hope I made up for it on the talent show story. Since you're in such a hurry for me to stop I will, but not until I wish all the luck in the world to a gal who has been a real friend to me.

Love Linda Lippincott
